INFO: Senior Leadership Brief COVID-19 for October 30, 2020

For Your Situational Awareness,

Attached is the latest Senior Leadership Brief COVID-19 for October 30, 2020.

FEMA Region III Incident Report 20-009 (CIR# 1, 2, 3, 4, 5, 9, 14, 21, 22) (CIR# COV1, COV2, COV3, COV4): COVID-19 (Update 176)

UPDATES ARE IN BLUE:

Summary (BLUF): This Incident Report covers any County, State, or Federal level COVID-19 related information affecting Region III.

Maryland Gov. Larry Hogan is renewing the state of emergency due to COVID-19, saying his administration is "closely monitoring" an uptick in cases.

See Attachment: Full State of Emergency

PA BEOC Update: Situation Reports and Resources

Below is a rollup of updates and information to use as you continue your business and continuity planning throughout the COVID-19 pandemic.

COVID-19 and Operational Information:

- **PEMA COVID-19 Daily Operations Update: October 30, 2020** (attached)
- **PA Department of Health Situation Report for October 29, 2020** (attached)
- **Demonstrations and Rallies as of October 30, 2020** (attached)
-
- **COVID: Emergency Measures Tracker, provided by our partners with the National Emergency Management Association** (attached)

Find a link to the list of all state executive orders on the Council of Governments website at: <https://web.csg.org/covid19/executive-orders/>

- **COVID: State Police Bureau of Liquor Control Enforcement October 26-29: 580 Compliance Checks; Four Notices of Violation**

Pennsylvania State Police Liquor Control Enforcement Officers visited 580 licensed liquor establishments from Monday, October 26 through Thursday, October 29 to ensure businesses are abiding by COVID-19 mitigation requirements that include social distancing, masking, and other health and safety requirements of the liquor code.

Liquor Control Enforcement Officers issued four notices of violation and 45 warnings for failing to follow COVID-19 requirements. As mandated by the liquor code, a notice of violation precedes the issuance of an administrative citation, which is civil in nature, and is intended to provide licensed liquor establishments notification of the nature of violation(s) discovered. The investigation remains open during this period, pending review by the Pennsylvania State Police Bureau of Liquor Control Enforcement (BLCE). Because the investigation is ongoing, names of establishments issued a notice of

violation will not be released at this time. Each BLCE district office posts a monthly [public information release](#) that includes details on citations issued by that office. More information is available on the [enforcement page of the state police COVID-19 portal](#).

For general information and updates about COVID-19, please refer to the Department of Health's website, www.health.pa.gov, [Facebook Page](#) and [Twitter](#) account.

NJ COVID-19 Updates, Plus Voting and New Worker Protections

Updated COVID-19 Information

This Week's NJ COVID-19 Updates

Do you have questions about getting tested for COVID-19, contact tracing, traveling to or from the State of New Jersey, or even finding a new job? The State of New Jersey offers up-to-date information, resources, and guidance at our [COVID-19 Information Hub](#).

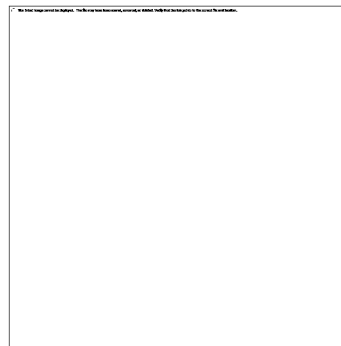

Have You Voted Yet?

Election Day is quickly approaching this year, and we encourage you to vote! You can return your ballot through a secure drop box in your county, to your county's Board of Elections Office, or at your polling place. Voters can also vote in-person on Election Day with a paper provisional ballot and individuals with disabilities will have access to an ADA-conforming voting machine. [Learn more](#).

New Jersey Announces New Worker Protections

Beginning November 5, employers must follow new health and safety protocols that will protect their in-person workforce. A new Executive Order mandates that all employers require individuals at the worksite to maintain at least six feet of distance from others, conduct daily health checks, require employees and visitors to wear masks when entering the worksite, and more. **Learn more about how workers in New Jersey are protected at covid19.nj.gov/safe.**

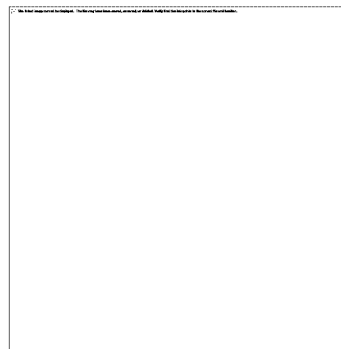

Don't Wait in Line at the MVC!

License renewals, registration renewals, address changes, and abstracts are available online at NJMVC.gov. Appointments are now available to register your vehicle, transfer your out-of-state license & registration, renew a Commercial Driver License (CDL), or get a driver knowledge test. If you have to go in person, be sure to check for closures and availability. Learn more at MVC's website.

Open Enrollment Period Begins for New State-Run Health Care Exchange

The Affordable Care Act Open Enrollment Period in New Jersey begins November 1 and runs through January 31, 2021. New Jersey residents will no longer use HealthCare.gov to enroll in Marketplace health insurance plans. Instead, Marketplace plans and financial help will only be available through New Jersey's new state-run health care exchange *Get Covered New Jersey* at getcovered.nj.gov. Learn more about how to apply for food, cash, and health insurance assistance on the [COVID-19 Information Hub](#).

Travel Advisory

All non-essential interstate travel is highly discouraged given the increased spread of the virus nationwide. Two states were added to New Jersey's travel advisory this week, bringing the total to 41 states and territories. Travelers from impacted states and territories should quarantine for 14 days upon arrival. [View the updated list and learn more here.](#)

SAMHSA Region 3 Communications: Adolescent and Transitional Age Youth Resources

Good Afternoon Colleagues,

Happy Halloween! I have compiled this vast array of Adolescent and Transitional Age Youth resources for you, please feel free to share widely with your colleagues and constituents.

1. Webinar-[School Mental Health Virtual Learning Series Part 7, Promoting Educator Well-Being: Understanding and Combatting Compassion Fatigue, Burnout and Secondary Traumatic Stress](#)
2. Webinar-[Transitional Age Youth \(TAY\) Series: The Impact of Substance Use on the Developing Adolescent Brain](#)
3. Webinar-New Conversations for Changing Times in Marijuana Prevention
4. Great Lakes Mental Health Technology Transfer Center Webinar Resource: Recognizing Anxiety in Youth Resources
5. Mental Health Technology Transfer Center Resources: Responding to COVID-19 School Mental Health Resources
6. Talking With Children: Tips for Caregivers, Parents, and Teachers During Infectious Disease Outbreaks (Spanish version)
7. Talking With Children: Tips for Caregivers, Parents, and Teachers During Infectious Disease Outbreaks (English Version)

Kindly,
Jeanne

1. Central East Mental Health Technology Transfer Center Presents:

School Mental Health Virtual Learning Series Part 7, Promoting Educator Well-Being: Understanding and Combatting Compassion Fatigue, Burnout and Secondary Traumatic Stress – Webinar Series

Wednesday, November 4, 2020 3:00 p.m. ET

This is a webinar series with a focus on advancing high quality, sustainable school mental health from a multi-tiered system of support, trauma sensitive, and culturally responsive and equitable lens. Through this series, participants should gain an increased awareness of high quality, sustainable multi-tiered system of school mental health supports and services. Other webinars in this series include:

- Wednesday, December 2, 2020 3:00 p.m. ET: Addressing Racial Stress and Trauma
- Wednesday, January 6, 2021 3:00 p.m. ET: Trauma Responsive Care for Younger Students

2. Addiction Technology Transfer Center Presents:

Transitional Age Youth (TAY) Series: The Impact of Substance Use on the Developing Adolescent Brain – Webinar Series

Tuesday, October 27, 2020 2:00 p.m. EDT

The goal of this series is to provide evidence-based and cutting-edge information on substance use prevention and intervention to an inter-professional audience of behavioral health practitioners for working with adolescents and transitional age youth (18-25). This particular webinar will review developmental neurobiology and the general impact of psychoactive substances on brain development. We will then discuss the particular impacts of alcohol, THC, and nicotine on the brain, and their specific impacts on brain development.

Other webinars in this series include:

- ***Tuesday, November 17, 2020 2:00 p.m. EDT*** – Who's Doing What? The Epidemiology of Adolescent Substance Use
- ***Tuesday, December 15, 2020 2:00 p.m. EDT*** – Substance Use Interventions for Adolescents and Transitional Age Youth

3. New England Prevention Technology Transfer Center Presents:

New Conversations for Changing Times in Marijuana Prevention – Webinar

Thursday, November 5, 2020 10:00 a.m. ET

Preventionists are called upon to educate a diverse range of community members about the impact of marijuana, and presentations are often the vehicle through which that information is relayed. In this 90-minute virtual training, participants will learn practical skills to create compelling marijuana prevention presentations that can be adapted for different audiences, using the tools and resources they already have.

4. Great Lakes Mental Health Technology Transfer Center Webinar Resource: Recognizing Anxiety in Youth

1. PPT RecognizingAnxietyinYouth Begres 8.31.20 2) Transcript RecognizingAnxietyinYouth Begres 8.31.20 3) Q/A RecognizingAnxietyinYouth Begres 8.31.20

The Great Lakes MHTTC School-based Supplement is hosting this webinar focused on helping educators and families recognize signs of anxiety in youth. As we continue to wade through these changing and challenging times, our students are also facing the uncertainty of what the upcoming school year brings. Now, more than ever it is important that we are attuned to our students' mental health needs. Topics to be covered include:

- How ongoing stress can cause health problems
- Brain development and the impact of stress in teens
- Common anxiety disorders in youth, including signs and symptoms
- Self-help strategies for depression and anxiety
- How to encourage professional help

5. **Mental Health Technology Transfer Center Resources: Responding to COVID-19 School Mental Health**

<https://mhffcnetwork.org/centers/global-mhffc/responding-covid-19-school-mental-health-resources>

Public health emergencies such as COVID-19 have a significant impact on students and their families, educators and the school mental health workforce, as well as the school mental health system. Addressing the mental health impact on students, parents, teachers and school personnel has become more important and necessary than ever before. The MHTTC Network recognizes this, and we are available to assist the school mental health workforce by providing training and technical assistance to help during these trying times. Featuring our Back-to-School Resource Collection! While in-person learning opportunities are postponed until further notice, the MHTTC Network continues to offer numerous school mental health related virtual learning opportunities and other resources through its [School Mental Health Initiative](#).
